PUB QUIZ USA
QUIZ NIGHT

Run time: approx 90-120 minutes

- 6:30 p.m. **Announcement heard that the Quiz will Begin at 7 pm**
Depending on the venue, pub quizzers may play for free for bar prizes OR pay \$3 per person playing (no more than 6 people per team), for cash prizes won at the end of the night. As team leaders come up to register their teams, they are given all the forms they need to play, with pencils for each team member. The rules of the game, as well as how to play each round, are explained just before the quiz begins.
- 7:00 p.m. **ROUND 1 – BINGO trivia**
25 questions worth 5 points each. Questions vary in difficulty and type, from naming a movie from an audio clip to multiple choice, true-false, or fill in the blank. Teams write their answers on both a Bingo answer sheet and a Bingo card. At the end of the round, answers are read back in random order. The first team to get BINGO gets a 20-point bonus.
- 7:50 p.m. **ROUND 2 – VARIES from week to week**
Could be Name That Tune, (10 Tunes with a theme, such as “blondes”, “the letter M”, “80’s”, etc.), Jeopardy, Who Am I, A to Z, Who Wants to Be a Turkish Millionaire, Bowling for Turkeys, and more!
- Throughout the game:* **PENCIL PUZZLES**
The pencil puzzles keep the game interesting while answer sheets are scored and team points are tabulated. Pencil Puzzles may include riddles, anagrams, multiple choice, fill in the blank, Name That Celebrity from their high school yearbook photo, True-False, or Who Said That?
- 8:45 p.m. **the CHALLENGE ROUND**
The top three to five teams bet all or a portion of the points they’ve won on a single bonus question at the end of the game, similar to the final Jeopardy question on TV.
- 9:00 p.m. **We have a WINNER!**
To the winner go the spoils and team pride! First, second, (and sometimes third place) winning teams may win cash or bar prizes, depending on the venue.
